

TECHNICAL DATASHEET

Reversing Switch

SERIES	VIVACE
Mounting Type	Flushed
Mounting Support	Wall Mounted
Type	Reversing switch
ELECTRICAL SPECIFICATIONS	
Switch Parameter	16A 250V
PHYSICAL SPECIFICATIONS	
Dimensions	Length 21.8 mm x Width 47 mm x Height 43.5 mm
Housing Material	Flame retardant Polycarbonate (PC), compliant with UL94 V-0
Standards and Certifications	Conforms to CE, RoHS, and IEC 60669-1 standards for safety and performance
ENVIROMENTAL SPECIFICATIONS	
Relative Humidity	0% to 95% non-condensing
Environmental Characteristic	Designed for indoor use
Warranty	10 years, covering material and manufacturing defects under normal use conditions (1 years for electronic part)
